

THE COMFORT IS OUT OF THE BOX

After 30 years of experience in hotel industry, Mike Group realized that having a classic style of hotel is no longer the right answer for our customers. We figured out a new theme of hotel by learning through people's lives which is never still, and no one could stand the cliché for very long. This idea brought us the concept "comfort is out of the box"

At Baron Beach Hotel, we provided variety designs of rooms just to splash your holiday a little bit and make your stay a little more fun
